

# The Text that Made Martin Luther...& Makes US!

Considering a Message from Romans 1:17

For the Week of October 28th, 2018

*This weekend we've observed the Festival of Reformation. It commemorates Luther's nailing of the 95 Theses to the church door in Wittenberg on October 31st, 1517. This event is considered to be the start of the Reformation. As we celebrate the Festival of the Reformation, we are directing our glorifying and praise to God. We are not glorifying Luther or the Lutheran Church or any branch of the Lutheran Church. Our purpose is to thank and praise God for directing His people back to the clear teachings of His Word, which proclaims His free grace handed to us as a gift won and purchased by the work of Christ Jesus, coming to us BY FAITH. Because of the forgiveness, salvation, and eternal life that God freely gives to those who trust in Him, we have the motivation to Love God back. We strive to serve Him—not because we are coerced or threatened to do so, but as a joyful reaction to the love we first have received from Him. This realization of the Gospel which then produces good works was essential to Luther's development and to the Reformation in general. Salvation is NOT about what WE DO—it is all about what God DOES for us! Glory be to God that He has done this great work in winning our salvation for us!*

**Opening Prayer:** We thank You Heavenly Father for bringing us together. Send Your Holy Spirit to help us grow in faith and love, especially as we gather together with our fellow Christians. Help us to always appreciate the wonderful Gospel message that our forgiveness and salvation is freely provided for us through the life, death, and resurrection of Your Son, Jesus Christ; and that it is available to all by faith. Help us to appreciate this gift and give us opportunities to respond to this gift with joy and thanksgiving throughout our lives. We pray this in Jesus' name. Amen.

## CONNECT to Each Other

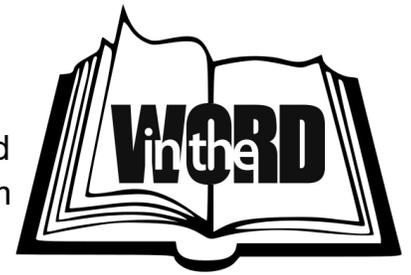

*Take a few moments to greet each other—especially anyone who might be new or unfamiliar to the people in your group. Introduce yourselves again if anyone is unfamiliar with anyone else, give an interesting factoid about yourself that not many people know...*

1. Have you ever had an "AHA!" moment?—Where something suddenly made sense to you that had not been clear before? What was it? Please share...

## CONNECT to the Word—Read the Bible text together (also consider its context): **Romans 1:16-17**

2. Today we hear about an important "AHA!" moment that Luther had because of Romans 1:17b. What did Luther take away/learn/clarify/"AHA!" from the six words of this passage?
3. Throughout Martin Luther's life we see different attitudes about God and his own relationship to God. As a boy, how did Luther see God? ...Then as a teenager? ...Then as a priest? ...Then as he posted the 95 Theses? ...Then as one under attack for his bold stand? ...Then finally on his deathbed?

4. Throughout the sermon there were other verses, sections, biblical examples, and hymns given that emphasize how our salvation is all about God's Work and not our own. Review and discuss your favorite verses, hymns, and other examples (from the sermon and others that you know) that emphasize this.

## CONNECT to Life

---

5. Sometimes "Faith" is treated as something WE need to do in order to be saved. This is emphasized in some churches that say you need to know a specific *moment* when you "*Came to Jesus*" or where you made some "*Decision to follow Christ*"—otherwise you can't be sure of your salvation. How would you respond to this? Is "*Faith*" something WE need *TO DO* in order to be saved? Explain...
6. How do you respond to those who say that our understanding of the Gospel and of God's Grace is "too cheap and easy"? What makes anyone strive to be better or to be a good person?
7. As stated in the sermon, Luther had a motto or mantra that he would continue to tell himself that kept him going in spite of challenges and difficulties....Come up with and share your own motto/mantra that would keep you going—focused on God and on the Love He has for you?
8. How did the hymns, other lessons, parts of the service, etc. fit together with the Sermon message and overall theme for the day?

## CONNECT in Prayer—*In closing & throughout the week!*
